WALL OF REMEMBRANCE

Give Resurrection School a birthday greeting that will last.

For \$20.00 your unique artwork will be imposed on a 4"x 4" ceramic tile that will be installed at the school entrance. In addition

to wishing Resurrection a happy birthday you could have a lasting memory of 1st communion, confirmation, graduation or your own personal celebration Using vivid colors, send us your artwork on a 8-1/2" x 11" white paper and we will do the rest. Or send us your message and we will create the artwork for you. Join us in being a piece of Resurrection School history.
